Model-2677CC Office Document Shredder

Secure your sensitive digital information as well as your paper documents with the Office Life 2677hs paper shredder. The strip cut version only can handle paper, compact discs (CD's), floppy disks and credit cards. The cross cut version will increase the security of your outgoing waste documents. Both versions feature especially hardened shredding head that easily handles standard staples and paper clips and a wide 10 inch throat.

Features:

- Specially hardened solid-cutters.
- Shreds CD-ROMs (Strip Cut only).
- Unaffected by standard paper clips and staples.
- Electronic eye for automatic Start and Stop operation.
- Reverse button to release overfed paper.
- Bag Full and Door Open indicators.
- Attractive, modern console models with castors for easy portability.
