Kell Portable Server Environments (PSEs)

Kell's acoustic portable server enclosures have the appearance of high quality office furniture, with a wide range of styles and finishes to suit your working environment. Individual server enclosures come in 12U, 18U, 24U or 38U heights with EIA 19" rack mounts, double- and triple-bayed combinations also available. All individual server enclosures, and bayed server enclosure building blocks, are sized by design to pass through a standard UK office door.

:: SINGLE PORTABLE SERVER ENVIRONMENTS (PSEs)::

PSE-12U

PSE-18U

PSE-24U

PSE-38U

Code	Space	Outer Dimensions	Rack Depth	Ship Weight
PSE-12	12U	W 29.5" x D 43.9" x H 29.5"	28.3" – 31.5"	441 LBS.
PSE-18	18U	W 29.5" x D 43.9" x H 40.0"	28.3" – 31.5"	507 LBS.
PSE-24	24U	W 29.5" x D 43.9" x H 50.6"	28.3" – 31.5"	573 LBS.
PSE-38	38U	W 29.5" x D 43.9" x H 76.8"	28.3" – 31.5"	705 LBS.

- Stunningly effective soundproofing eliminates 96% of computer noise*. Total noise is reduced to the level of office background noise or lower.
- Super-efficient silent fan cooling system changes the air in the enclosure approx. four times per minute, supporting up to 6/7 high grade servers (or thermal unit equivalent) per 38U enclosure.
- Fully compliant with EIA universal 19" rack standard, and plug-and-play compatible with all commonly available rack mount servers, switches, VOIP systems and peripherals from Dell, HP, Compaq, IBM, Cisco, Foundry etc, as well as most tower servers (using Kell server support option).
- Soundproof cable entry/exit port supporting up to 400 CAT 5 cables per rack, designed such that if you are replacing a conventional rack with a Kell acoustic enclosure, there is no need to disconnect and then re-terminate your patch bays.
- Rack depth 800mm (adjustable down to 720mm), plus 150mm void forward of rack for front frame patching.
- Built-in vertical IEC 320 power distribution of 7 outlets (12U and 18U models), 10 outlets (24U models) or 13 outlets (38U models).
- Fully equipped for structured cabling: 4 x full-height vertical cable trays to rear and sides of rack, plus optional professional-grade vertical cable management ladder cages to either side of front frame, supporting up to 400 CAT 5 cables per 38U rack.
- Rear sides and back panels disassemble easily, with no tools, for installation and maintenance.
- Locking doors.
- Heavy duty locking castor wheels.
